

# Ausgewählte Projekte - Projektliste

Dipl.- Ing. Ralf Reifferscheidt

Project	Investment	Location	Function
<b>Process Industry</b>			
Production plants Megaperl detergents	35 m€	Belgium	Project Manager
Production plant powder detergents	20 m€	Germany	Project Manager
Production plants Megaperl detergents	60 m€	Germany	Project Manager
Claims Management for Cognis Carve out	50 m€	Europe	Project Manager
Production plant for liquid detergents	30 m€	Germany	Project Director
Production plants Megaperl detergents	30 m€	Italy	Project Director
Capacity Increase Enzyme plant	20 m€	Austria	Project Manager
Steamdrying plant for detergents	5 m€	Austria	Project Manager
Production plant adhesive sticks	4 m€	Germany	Project Manager
Production line for hot melt adhesives	3 m€	Germany	Department Head
3 Production plants for tile adhesives	15 m€	Poland , Ukraine, South Africa	Department Head
Masterplan production plant surface technologies	6 m€	Germany	Department Head
Premix plant detergent production	5 m€	France	Department Head
Production plant fo cleaner tabs	5 m€	Germany	Department Head
Production plant for Hotmelt adhesives	15 m€	Germany	Department Head
Production plant for cleaner tabs	15 m€	Luxembourg	Department Head
Production plants liquid cleaner	10 m€	Germany	Department Head
Production plant for powder detergents	10 m€	France	Department Head
<b>Amusement Industry</b>			
Custom design turn key steel roller coaster for Universal Studios	30 m€	US	BU Head
5 turn key steel roller coasters for chinese clients	40 m€	China	BU Head
Custom design turn key steel roller coaster for Ferrari world	40 m€	Abu Dhabi	BU Head
Custom design turn key steel roller coaster	10 m€	Irak	BU Head
5 Custom design turn key steel roller coaster	30 m€	Finnland, Belgium, Spain, Germany,Italy	BU Head
<b>Engineering- and Consulting Services</b>			
<b>Engineering and consulting services for public and private clients in Germany, 5 BUs with about 50 m€ engineering services per year</b>	50 m€/a	Germany	
water supply, waste treatment, sewer systems, hydraulic engineering		BU Water	MD Operations
railway systems, roads and waterways,bridges and tunnels, railway equipment and surveying		BU Transportation	MD Operations
renaturation of water bodies, environmental planning and consulting, immission control		BU Environment	MD Operations
pulp & paper, process industry , plant and mechanical engineering		BU Industry	MD Operations
power plants, transmission and distribution, nuclear decommissioning and consulting		BU Energy	MD Operations
